

Asset Allocation

SuperRatings' Asset Allocation Application provides access to our comprehensive list of product option allocation data across 400 + products and 6,000 investment options.

With 40+ Growth/Defensive assets to choose from features & functionality of the Asset Allocation App

- 'Actual', 'Benchmark' & 'Range' Allocations available.
- Current and historical data access.
- Quarterly updates.
- Refine and Filter search by Growth/Defensive %, Option type & default.
- Save searches and/or Export results to Excel.
- Link to 'more detailed information' including option specific details, objective description and Asset Allocation Summary (Printable).

Originally available as a quarterly spreadsheet only, in July 2011 we enhanced the product to be an online App in our web based portal. This means subscriber organisations now have all our current and historical Asset Allocation data at their fingertips and can tailor research specific to their requirements.
